

# SDWORKS

The premier database for worker recruitment @ [www.sdjobs.org](http://www.sdjobs.org)

## *Here's Why!*

1. SDWORKS is the State's largest job database. It is used by nearly 92,000 registered job seekers annually.
2. SDWORKS gets results. One repeat employer has posted almost 15,000 job openings total.
3. SDWORKS screens applicants and refers 34 quality candidates per job opening on average.
4. SDWORKS is user friendly. Employers can post job openings in about 10 minutes, 24/7/365.
5. SDWORKS doesn't cost anything.
6. SDWORKS has listed over 250,000 jobs in Sioux Falls and Rapid City since December 2001.
7. SDWORKS is effective. Openings are filled in three days on average.
8. SDWORKS provides access to a professional candidate pool, ranging from individuals with high school diplomas to doctorate degrees.
9. SDWORKS gets traffic. An average of 73 online users view "how to apply" information on each job opening.
10. SDWORKS worker recruitment staff have on average 14 years of experience with DLR and South Dakota's employers.
